

Jaivin Peel

KISKI PREP - QB #7 6'1" 185 lb.

WPIAL All-Time Freshman Passing Leader Montana. Namath. Marino. The WPIAL has produced some of the greatest names to ever line up behind center. While QB Jaivin "JP" Peel might have a long way to go to catch up with those Hall-of-Famers, he's already beaten them to the punch by cementing himself as a WPIAL legend after just his freshman season. As a student at Lincoln Park Performing Arts, playing at nearby Western Beaver, JP had a first year like no other, throwing for the most yards by a freshman in WPIAL history, leading the Golden Beavers to their first playoff win in 15 years, and racking up 33 TDs and a slew of individual awards. JP looks to continue making big impacts in the 2025-26 season at Kiski.

A born leader with natural instincts, JP wows recruiters, teammates, and media members as an elite thrower who excels at seeing the field. Once he gets the ball in his hands, he shows the kind of football smarts that scouts covet, anticipating the play as it develops and throwing his receivers open to give them the best opportunity to make plays. Dropping back, he embodies on-field toughness by hanging in the pocket and delivering catchable balls in tight coverage, even with pressure in his face.

Off the field, JP is equally as capable in the classroom, as evidenced by his 3.7 GPA and academic honors. Will he be the next great Western PA QB? Only time will tell, but he's off to the best start anyone has ever seen.
