Before being declared a winner, each selected entrant must first correctly answer, without assistance of any kind, whether mechanical or otherwise, a time-limited mathematical skill-testing question on the same day and within a reasonable time as indicated by Contest Sponsor making the prize notification information available to the potential winner.

Each selected entrant will also be required to sign a Declaration and Release Form (the “**Release Form**”) confirming compliance with these Official Contest Rules, acceptance of the respective prize as awarded without substitution, and releasing the Contest Sponsor, its affiliated and related companies, sponsors, advertising and promotional agencies, and their respective shareholders, directors, officers, employees, agents, dealers, representatives, successors, and assigns from any liability in connection with the prizes, including (if applicable) attendance at and any recreational activities undertaken as a result of participation in this contest.

Declining a prize, failing to correctly answer the mathematical skill-testing question, failing to return the Release Form within the time period indicated on the Release Form, or otherwise failing to comply with these Official Contest Rules will cause the respective prize to be forfeited, and a new random draw from the remaining eligible entries will be conducted to select another selected entrant. The process noted above will be repeated until a prize winner is declared or there are no more eligible entries, whichever comes first.
