

From a Broken Neck to Something You Wouldn't Expect The Super Star Story

**Ozell L. Banks II is the inventor and founder of
Super Star Products
(The World's Best Pain Eliminator)**

Ozell's drive to his mother's house in Savannah, Ga on his birthday in 2009 altered life forever for Mr. Banks! The road to Super Stardom came to a screeching halt in 2009. The hit & run was something Mr. Banks was familiar with while playing baseball at Savannah State prior to graduating. This hit and run was different! It left Mr. Banks with a broken neck (C2), a few bruises, and most of all a firm belief that God is real! Generally, the road to recovery is paved with pain relieving pills, shots and various alternatives that mask the pain or worse, opioid addiction!

With the direction divine assistance Mr. Banks was provided the opportunity to use his findings on holistic health and wellness to eliminate his pain naturally. With years of research, development, spiritual influence, and various test trials the time was right for the emergence of this revolutionary product called

Super Star "The World's Best Pain Eliminator". Instead of masking the pain, Super Star assist in eliminating the cause of the pain.

Mr. Banks chose to follow the Bible which states
"And The Leaves of the tree are for the healing of the nations."

Revelation 22:2

Various great influences have used herbs for healing such as Dr. George Washington Carver and other Naturopathic chemist. The idea of providing a viable holistic medium that could assist in the healing of the body was not far fetched. With firm commitment to following our God given purpose of helping others. Super Star has been able to change the lives of individuals who have been told otherwise. Improving the quality of life for the world by providing the opportunity for a pain free life without shots, pills, surgery or side effects is our mission at Super Star.
