Why Choose Coverstar Central?

Coverstar Central will provide your business with world-class, frontline field support. Our Company employs a number of industry veterans who have extensive knowledge of automatic covers—How they are designed, manufactured, and serviced. We will assist you with ordering, technical and onsite support, and training.

Providing Unmatched Support

Local Support

- Dedicated sales team ready to support your market
- Committed inside sales team to help with product questions and orders
- Ability to leverage pre-existing, key relationships in the marketplace to create synergies for our entire customer network
- On-site assistance available to work through your toughest issues

Expedited Orders & Service

- Common and uncommon service parts kept in stock
- Multiple warehouses across 31 states for fast delivery
- Dedicated fleet of built-for-the-job vehicles
- Exclusive delivery services available

Depth of Experience

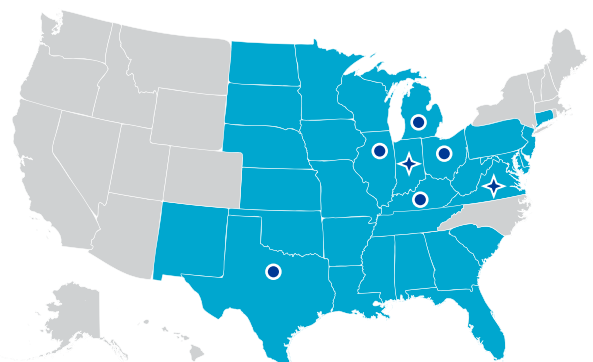

- Years of experience working with all brands of Autocovers with a supporting parts inventory/
- Extensive product expertise, backed by direct access to manufacturer resources
- Designated personnel to field technical calls
- Localized training events & continued education

Powerful Digital Resources

- Interactive ordering portal for easy ordering
- Robust mobile app for convenient access
- Vast catalog of digital resources available 24/7
- Complete digital transparency to monitor the status of your order, track its progress, and view service parts

Nationwide Coverage, Local Expertise

Coverstar Central takes pride in providing unmatched service and support across the United States. With multiple strategically located service and fulfillment centers, we ensure that your automatic pool cover needs are met swiftly and reliably, no matter where you are. We are committed to offering fast response times, dependable service, and personalized support every step of the way.
