SMART RECO

Based on all pet details
(age, size, BCS, pathologies
& predispositions),
**our science-based
algorithm identifies
the best nutritional
solution in a second.**

Targeted pets:
all pets, whether they
are sick or not.

HOW TO USE

1. Scan QR code below or visit
vet.royalcanin.com.
2. Select **Smart Reco.**
3. Fill in the pet profile.
4. Enter weight / select BCS.
5. Select pathologies and
predispositions.
6. Click Nutritional
Recommendation.
7. Print or send the
recommendation letter
and save the visit.
