BIO

Born and raised in Southwest Louisiana, Ramsey joined the US Navy shortly after graduating high school. He is currently a **Master Chief Petty Officer Explosive Ordnance Disposal (EOD) Technician in the US Navy Special Operations.**

His day job involves defeating the Improvised Explosive Device (IED), rendering safe weapons of mass destruction, hostage rescue, underwater mine countermeasure, and conducting direct action missions. As a free-fall parachutist and Navy diver, Ramsey understands the importance of paying attention to detail while working under pressure.

Ramsey is an experienced investor specializing in converting distressed properties into income producing assets. He is an active partner in **Real Focus Capital Investments**, a co-host of the **Gorilla State Podcast** and currently owns several **multi-family properties** across the United States. He is a graduate of Multifamily University, a member of MultifamilyU investor group, and founder of the **Real Estate Podcast Hosts and Guests Facebook Group.**

He currently lives in San Diego, CA. is married to his beautiful wife Hope, and is a father of two.
