

# RAPEH MENU – sourced in Peru and Brazil – 5ml \$11, 15ml \$30

-7 MASTER TEACHERS - this beautifully aligning blend contains the essence and gifts of 7 of the major teachers of the jungle - Chacruna, Caapi, Bobinsana, San Pedro, Chiric Sanango, Red Virola, Cetigo - to help one harmonize with their Divine purpose and connection to Spirit

-HEART FIRE - combining the powerful forces of Tsunu and Jurema, this --bold offering pierces straight through the fog. It offers rapid cleansing of panema, a grounded and peaceful presence, and a heart open and alight with the love of the divine.

- PARICA - containing the same medicinal alkaloids as Yopo, this blend has been used by shamans and healers to achieve a state of deep meditation. It quiets the mind and allows one to reach the center and connect with the sacredness of our origins and spirits of our ancestors.

- GENTLE CACAU - this blend formed of the Food of the Gods is a beautiful heart opener, raising one to vibrations of joy and ecstasis. Providing a serotonin boost, this medicine leaves one feeling uplifted and awakened, and can assist with clearing anxiety and depression. Note that this a gentler, lower mapacho level blend than Mama Cacau.

- EMBURANA - this medicine works to improve respiratory function and to release blocks associated with grief and sadness. It helps to heal the parts of ourselves that we have rejected and build union with our truest self.

- MURICI - a powerfully strong, cleansing ally, Murici is known for fighting fatigue, boosting the immune system, and clearing the sinuses. Focusing on the root and sacral chakras, this sacred medicine is a beautiful tool for clearing overwhelming emotions and embracing a spiritually aligned and grounded sense of peace.

-PUYANAWA - This strong masculine offering brings clarity, activation, and movement. It is a beautiful aid to helping one identify and connect to their purpose and move forward free of fear and centered in the heart

- VASHAWA - holding great power for awakening and liberation, this medicine connects us with the serpent spirit and is often used in Aya ceremonies. The guidance of this spirit leads us through multiple planes to connect us with our inner and higher selves, finding deeper understanding.

- TSUNU - this classic powerful blend is particularly good for cleansing energies and emotions, and grounding into the here and now. Combine with meditation to tap into peaceful clarity and the depths of your personal power.
