

# Cameron Lindsey

**"Hardest Hitter in Pennsylvania"** Cameron Lindsey is a highly versatile, athletic, and physical playmaker who's helped lead his teams to the state's highest levels across multiple sports. On the gridiron, he makes an instant impact on both sides of the ball as a standout linebacker and running back for Aliquippa High School where he and his team have been crowned 3-time WPIAL Champions and 2-time PIAA Champions!

Lindsey's on-field success and accomplishments are the hard-earned results of the work he puts in when the cameras aren't on and the crowds aren't watching. Upon completion of his amazing high school career, Cameron will play football for his hometown team — the University of Pittsburgh. Cameron's story is just getting started and he will soon be recognized among the likes of Quip greats such as Ty Law, and Darrelle Revis.
