GIVING HOPE TO THE HOPELESS

SAVE THE PERISHING FOUNDATION (SATPEF)  
KANSAWORADO,  
TAKORADI, GHANA

16/05/ 2020

Dear Sir/Madam,

## **READ AND COMPUTE TO SUCCEED! PROJECT**

SATPEF in partnership with the local authorities of Kanasaworodo, The King and the Queen Mother is pleased to present this proposal for your consideration and support to implement the **Read and Compute To Succeed Project** at Kansaworodo Junior High School. We look forward to partnering with you to provide a reading and computing intervention programme for our students with poor reading and computational skills. Kansaworodo JHS has over 100 at risk students with a reading and computational performance of at least two years behind their current grade level. The objective of the Read and Compute to Succeed! Project is to help all students with poor reading and Computational skills learn to read and compute at grade level and increase their reading and calculation speed, comprehension, and reading attention span.

During the last year, we have been piloting the Read and Compute to Succeed! Project with a small group of students with poor reading and Computational skills and have seen dramatic improvements with most of the students increasing their reading and calculating ability by one to two grade levels. The Project will provide students with access to assistive reading systems and educational resources, along with training for improvement through workshops, presentation among others.

We have seen measurable success and we are now seeking to expand the Read and Compute to Succeed! Project to address the needs of all the at risk students in the School. Our proposal requests \$126,200 in funding to obtain the software, hardware, Educational resources and to provide financial support for needy students. It is only by collective effort and individual provisions that add up to raise such an amount for a worthy cause.

We will appreciate your contribution in cash or in kind such as Educational materials, laptop, printer, projector and others and be extremely thankful for taking an interest in helping our students develop their reading and computational skills through our new Project. The little support we give today can make a lasting impression and a mighty difference in someone's life

Please kindly call +233240705398 if you require any further information or have any questions concerning this proposal. You can send your donation, ANY AMOUNT to the SATPEF MOMO ACCOUNT: 0240705398 (PLEASE TYPE SATPEF AS REFERENCE), BY CHECK OR THROUGH ANY CONVENIENT MEDIUM.

Kindly find details of the project in the PROJECT PROPOSAL

Thank you VERY MUCH AS YOU HELP TRANSFORM OUR COMMUNITY
