

CTAS

CORNELL TAIWANESE
AMERICAN SOCIETY

WHAT IS CTAS?

CTAS is a social club open to anyone from Cornell. We do weekly gatherings and also host large events on campus open to all students, faculty, and staff to share our love of Taiwanese culture.

We're pretty chill and are always looking forward to meeting new people.

What do we do?

- Weekly gbodies
- Cultural events
- Food events
- Collaborations with other cultural clubs

You should join if you

- Love Taiwanese culture -- we love it too!
- Want to get to know us more and have fun -- we have weekly gbodies! (and they're not mandatory)

FAQ

Do I have to be Taiwanese?

Nah, like actually you don't (we get this question every year...)

What's the difference between CTAS and CCT?

CTAS focuses more on the social aspect with weekly meetings while CCT is more of a pre-professional club with occasional meetings

If I can't make the meeting time can I still join the club?

Yeah, for sure! Definitely come if you can, but we also have a big/little system so that you won't feel left out :)

What if I'm remote this semester?

You won't miss out on anything! Our events will be online this semester.

We're excited to meet you!
