Who are we:

Herspace is a private service provider, providing assistance and guidance in applications made to the QCTO and/or SETA. We are Services SETA Beauty Therapy and Nail Technology Accreditation Specialists.

Why is accreditation important:

Services Seta Accreditation recognises your training courses and academy of a set standard to the highest level. This allows you to accredit your courses and use their gold seal of approval on your students certificates and marketing. Gaining accreditation means your students will be recognised as certified beauty and nail professionals.
