

Client Testimonials

Take the guesswork out of your next move.

We are so fortunate to do what we do - partnering with our clients in the buying or selling of a home. It is so rewarding to get to the finish line. A lovely testimonial is the icing on the cake.

Jackie represented us in as buyer (condo) and seller (co-op) in Brooklyn and we could not have been happier with the experience. She is not only very knowledgeable but also just a real pleasure to work with. Jackie helped us navigate through a challenging negotiation process and she was always extremely responsive and dedicated. In the end, we found the home of our dreams and we could not have done that without Jackie. Highly recommend her. - Jill

"I've worked with Jackie on a few sales and purchases in the past when I lived in NYC. After moving out of state I'm currently working with her again as I plan my return to NYC. She understands the market, comes up with relevant suggestions, and is responsive. I enjoyed working with her in the past and as we work together now it feels like we're always on the same page. Her calm demeanor and willingness to think outside the box are a must have in the NYC market." - Allison

We interviewed a few brokers and felt an instant connection to Debbie. She knew our neighborhood extensively and it was clear that she did a detailed analysis with regards to comps in the area, prior to meeting with us. She took the time to really listen to us, offer us advice and it felt like we came up with a plan of action together, instead of feeling pressured to just go with the Broker's advice. She was aware of our strict time line and ensured that she maintained all lines of communications between parties including the lawyers and management agents. She was without a doubt, the voice of reason, and she truly went above and beyond in ensuring that the transaction moved as fast as it possibly could. We completed trusted her judgment and she managed to reassure us on numerous occasions when we hit unexpected delays. Debbie was always available to us, she was quick to respond to our messages, and she somehow managed to stay upbeat and enthusiastic throughout this stressful process. - Jit and Tejal

"Debbie was a godsend in our six month search for the perfect Brooklyn apartment. Although we've owned a few homes, the NYC real estate market was new to us. So it was comforting to have someone with her knowledge and experience during unprecedented times. She helped us navigate bidding wars, made fantastic recommendations for an attorney and mortgage broker and was always patient and understanding. At times it felt like she was as much a therapist as she was an advisor, and she was always responsive, day or night when we had questions. Truly can't imagine working with anyone else, and am already happily recommending her to friends and co-workers. Debbie's the best!" - Chad
