

Joseph "JJ" Work

A defensive hawk known for his relentless pursuit of the ball, JJ Work lives up to his name with the effort he continually puts into being his best. In his three years of high school football, he's made a huge impact on defense, amassing 218 total tackles and averages 6.3 tackles per game, over 3 years, against some of the toughest competition in the state. He's also been a weapon with the ball in his hands, scoring four touchdowns while racking up 240 yards on just 19 carries his sophomore season.

Boasting a 3.5 GPA last year, JJ understands his work ethic off the field is just as important as preparing for game day. Meanwhile, his ability to make an impact on every play and be an uplifting teammate sets him apart from the rest.
